**California Department of Health Services, Tobacco Control Section
California Partnerships for Priority Populations
Request for Applications (RFA) TCS 04-100**

The California Department of Health Services, Tobacco Control Section (CDHS/TCS), announces a tentative release date of **February 6, 2004**, for RFA TCS-04-100, California Partnerships for Priority Populations. Applications are being solicited for the following populations: 1) African-American, 2) American Indian, 3) Asian and Pacific Islander, 4) Hispanic/Latino, 5) Lesbian, Gay, Bisexual, and Transgender, 6) Low Socioeconomic Status, and 7) Labor. No more than one applicant per category will be funded. Applications will only be accepted for a single category (i.e., no combined population applications). There is no guarantee that funding will be made to each category. The successful applicants will function as statewide support to CDHS/TCS and its funded programs through priority population-specific tobacco control services.

Approximately \$5 million from fiscal year (FY) 2004-05 monies are estimated to be available for this RFA to fund up to seven agencies. Award amounts are contingent upon the use of multiyear spending authority and available revenues in the governor's FY 2004-05 budget. The contract period begins July 1, 2004 and ends June 30, 2007, for a project period of 36 months. **The anticipated proposal due date is March 5, 2004.**

To receive a copy of the RFA via mail, please complete the form below and mail, fax, or e-mail the following information **no later than January 23, 2004** to:
